Residents of State Assembly District 4

Re: Mark Kropp

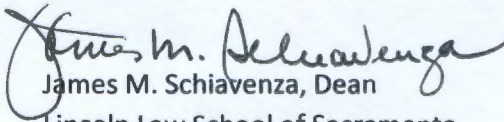

Dear Residents of Assembly District 4:

As dean of Lincoln Law School of Sacramento I am pleased to support the candidacy of Mark Kropp for assembly. Mark is a first year student at Lincoln Law School of Sacramento and is a student in my Torts class. He is a dedicated student and has the respect of his classmates, the faculty and administration of Lincoln Law School.

Lincoln Law School of Sacramento has served the greater Sacramento community since 1969 and has consistently been true to its mission of providing an excellent legal education at an affordable cost to qualified applicants. Among our over 1,200 graduates are eleven currently sitting superior court judges, several administrative law judges, current and former elected district attorneys, several elected city and school board officials, the general counsel to the California Highway Patrol, the executive officers of the Board of Parole Hearings and the Franchise Tax Board, and successful government attorneys and private practitioners. We are proud to list Mark Kropp as one of our students.

Knowing Mark as I do, I can attest to his dedication to his community, his sense of justice and his goal of proudly and professionally representing his district. I fully support his candidacy for State Assembly District 4.

Sincerely,

James M. Schiavenza, Dean
Lincoln Law School of Sacramento
